

TIME TO APPLY!

ENVIRONMENTAL LITIGATION CLINIC

Application Deadline: May 17, 2012
Decisions Announced: June 6, 2012

Number of Students Accepted: 20 – 25
Eligible to Apply: 2L, 3L, 4L

REQUIRED MATERIALS: Application Form, Cover Letter, Transcript, Resume, Writing Sample (5-10 pages of original written work) all in portable document format (PDF).

Submit to: Dianne Viales, dianne@lclark.edu

Selection Criteria: Interest in and commitment to environmental law; year of study (Spring 2013 grads given priority); lack of conflicts of interest; ability to successfully complete course requirements.

Pre-Requisites/Co-Requisites: Environmental Law, Administrative Law and Environmental Litigation (may be waived in unusual circumstances).

Your Commitment: 2-hour class each week with student presentations (Fridays from noon until 2pm); meet with supervising attorney regularly (usually once a week); 8-10 hours of independent work per week.

The Benefits: Help save salmon, protect clean air and water, and preserve our natural heritage while gaining practical experience in real-world environmental litigation! See PEAClaw.org to read about our cases and faculty.

Credits: PEAC is a year-long course for which you will earn 3 ungraded credits per semester. Single semester students may be accepted in extraordinary circumstances.

Course Qualifications: Practical Skills Credit; Environmental and Natural Resources Law Certificate Course.

More Information: PEAClaw.org (click on Education); email Tom Buchele at tbuchele@lclark.edu; or call Tom at 503.768.6736
