

## Summer 2017: Transportation & Parking

### Summer Parking at the Law School

May 1 – September 5

#### Car Registration:

- All faculty, staff and student vehicles parked on-campus must be registered with Transportation and Parking (yes, even in the summer).
- Go to <https://lclark.nupark.com/portal>. To register your vehicle you will need to 'purchase' a vehicle registration (there is no charge to register your vehicle). If you have any problems navigating the parking permit site please call Transportation & Parking at x7857.

#### Parking Permit:

- Permits do not need to be *purchased* during the summer.
- Note, in the Law School Employee Parking Lot any non-registered vehicle must display a **Summer 2017 Parking Permit** on the dashboard. This permit is free.
- Obtain a Summer 2017 Parking Permit from:
  - Events Office (contact Linda Lopeman, x 6899, [lopeman@lclark.edu](mailto:lopeman@lclark.edu))
    - Requests for *reserved parking* are handled through the Events Office.
  - Reception Desk
  - Business Services (Lisa Garcia)
  - Career Services (Alyssa Warren Salstrom, x6699, [akwarren@lclark.edu](mailto:akwarren@lclark.edu))

#### Law School Staff / Faculty Parking:

- It is important for staff and faculty to park in the Employee (Faculty / Staff) Parking Lot throughout the summer. This allows students space in the Student Parking Lot.
- While permits are not required all other parking regulations will be enforced.
