

Elaine E. Sutherland, *THE FUTURE OF CHILD AND FAMILY LAW: INTERNATIONAL PREDICTIONS*
Cambridge University Press 2012, 535 pages

Child and family law tells us much about how a society operates, since it touches the lives of everyone in that society. In this volume, a variety of experts examine child and family law in thirteen countries. Each chapter identifies the influences that have prevailed to date in each country and offers informed predictions of how it will develop in the years to come.
