

Do you compulsively track new international fracking projects, worried about the fate of local communities?

Do you ponder the fate of polar bears as climate change alters their habitat?

Does illegal rhino horn trade keep you up at night?

Have you ever thought to yourself, "What is it really like to be an international environmental attorney?"

# APPLY FOR IELP!

**\*\*NEW THIS YEAR:** apply for one semester (either Fall or Spring) or a full year

Find application instructions and more details at [go.lclark.edu/IELP](http://go.lclark.edu/IELP)
