

Recap of the Student Board Member Fundraiser

By Becca Fischer

Close to 100 community members and students attended NEDC's Pints for Preservation fundraiser at Migration Brewing Company on April 3rd.

The Circuit Bouldering Gym and Migration co-sponsored the event. The Circuit treated the crowd to a climbing video and NEDC provided updates on our latest projects. A few lucky attendees won fantastic raffle prizes donated by local Portland businesses and artisans, including a coveted work of original art by Marla Nelson and a large landscape photo by Mark Riskedahl. If you missed the event, don't worry; you can still support NEDC's efforts by becoming a monthly donor!
