

15TH ANNUAL CRIME VICTIM LAW CONFERENCE

Imagine: Every Victim. Every Right. Every Case.

JUNE 10-11, 2016 | PORTLAND, OREGON

NCVLI's annual Crime Victim Law Conference continues to be the only national conference focusing on the emerging area of law known as "Victim Law," which includes rights enforcement in criminal cases. Conference attendees gain the knowledge and practical skills necessary to provide effective legal services to victims; sponsors receive national recognition.

SPONSORSHIP OPPORTUNITIES

Conference sponsorship is an excellent way to raise awareness of your services and commitment to victims to an audience of 250+ attendees from the Pacific Northwest and around the country as well as to NCVLI's national following of 3,000+. The Conference has experts from a range of victim law issues presenting at large plenary sessions and breakout sessions. We have a variety of sponsorship levels, each with excellent benefits that fit a sponsor's needs and budget.

Conference Sponsors

Conference sponsors provide critical general support to this one-of-a-kind Conference. Sponsors are recognized in numerous ways in the main plenary room in which all Conference attendees meet throughout the Conference. Conference sponsors can also display materials in the exhibit exchange.

Session Sponsors

Session sponsors support a particular type of training - either by **victim type** or **litigation skill**. Sponsoring a session provides targeted marketing to professionals with similar interests. Session topics include: Campus Victimization, Child-Victimization, Identity Theft/Fraud, Mass Victimization, Tribal, Victims' Rights Post-Trial, and Violence Against Women. Sponsors are spotlighted in the presentation rooms for the sponsored sessions.
