

Overview of Select Post-Conviction Moments: State Adult Criminal Cases*

* This flowchart, which is intended as an educational tool, provides a simplified representation of common post-conviction moments in the federal criminal justice system. It does not represent every possible post-conviction process or every variation on processes that may occur in an individual case. It does not constitute legal advice; nor does it substitute for legal advice. No attorney-client relationship is created with any person who uses this educational tool.
