### Watchful-Waiting

The Germans have their "Wacht am Rhein," the English play "God Save the King,"  
The Frenchmen sing their "Marseillaise," while Russians chant their National Hymn.  
Our Spirit shuns this wee-like ring; peace breathes in what we proudly sing.

### THE STAR SPANGLED BANNER

Oh! long may it wave, o'er the land of the free and the home of the brave.

By these colors we stand ever true,

Three Cheers for the Red, White and Blue
