Lewis & Clark

Campus Access Map

About the ADA Coordinator:
Lewis & Clark is committed to serving the needs of it's students, staff, and community members with disabilities. The ADA Coordinator ensures that people with disabilities receive and have access to all benefits and services on campus. The ADA Coordinator, Associate Vice President of Human Resources, is located in the South Chapel Annex on the Graduate Campus.

About Student Support Services:
The College also provides academic accommodations and advocacy for students with disabilities. Accommodations are always determined through an interactive process between the student with disabilities and SSS staff. Student Support Services is located in Albany room 206 (end of the hall).
