MSL GRADUATE TESTIMONIALS

“This was the exact law program I was looking for! It gave me the foundational knowledge to effectively and confidently communicate about environmental law without preparing me to litigate. The professors are experts in their field, yet maintain sincere approachability with students.”

CASSIDY (VALENZUALA) KOHL

“The online program fit my needs as a graduate student also working full time as a journalist. I was able to watch lectures on my own time and respond to class discussions thoroughly. I especially enjoyed interacting with my classmates on discussion boards where we shared ideas and reflected on class topics.”
