

## **Cabinet Resolution Number SR001**

### **A Resolution of Appreciation for Angela Gintz**

---

**WHEREAS**, Angela Gintz, the Director of Inclusion & Multicultural Engagement at Lewis & Clark College since 2017 will be departing the College in June 2020; and

**WHEREAS**, Angela joined the College in 2013 as an Area Director for Stewart, Odell, and Akin, overseeing two Living Learning Communities; and

**WHEREAS**, Angela continued developing the Great Expectations peer mentorship program, designed to help support incoming new students with their transition to college and beyond; and

**WHEREAS**, Angela co-led efforts on the LC Campus Engagement project to reimagine the student experience, advocating for students on issues and projects such as the renovation of the Templeton Campus Center; and

**WHEREAS**, Angela went above and beyond by serving on a number of other College and Institutional Committees including the Committee on Diversity and Inclusion; and

**WHEREAS**, Angela advises six student organizations and supports many more by providing guidance for student initiatives, resources for leadership development, and peer-to-peer communication; and

**WHEREAS**, the students of the College of Arts and Sciences (CAS), wish to thank Angela for her service; therefore

**BE IT RESOLVED**, by the Cabinet of the Associated Students of Lewis & Clark here assembled that, on behalf of the students of CAS, we express our deepest gratitude to Angela Gintz for her service, leadership, and guidance, and wish her well in her continued efforts to promote inclusion and equity in higher education at Washington State University Vancouver.

**This document shall be submitted to** the Vice President for Student Life and Dean of Students Robin Holmes-Sullivan, the Director of Inclusion and Multicultural Engagement Angela Gintz, the Assistant Director of Inclusion and Multicultural Engagement and International Students and Scholars Dominique Gardner, the Office of Inclusion and Multicultural Engagement, and Student Leaders for IME advised Affinity Groups
