The method(s) used by the institution to determine which students receive Emergency Financial Aid Grants and how much they would receive under the CRRSAA and ARP (a)(1) and (a)(4) programs: Students with the highest financial need at all three schools (CAS, GSEC, Law) were identified based on factors including Pell eligibility and/or low EFC. These students were prioritized into two groups based on EFC and other need factors. Students with the highest demonstrated need, priority group one, were invited to accept a set award amount. Priority group two students were invited to accept a set award amount lower than those students identified in priority group one. In addition, during this quarter, students previously deemed ineligible for HEERF funds were prioritized by the Financial Aid Office based on need.
7. Instructions, directions, or guidance provided by the institution to students concerning the Emergency Financial Aid Grants: Prioritized students were invited via email to accept their CRRSAA/ARPA funding awards by a specified deadline, and received reminders. Students were given the option to accept or decline their award via a Google Form. In addition, the College has maintained a [public website](#) that includes updates about emergency funding available to students and the methods of distribution.
