What the world needs most is what we do best. And what we do next depends on you!

Supporting Business Law and Innovation

The Business Law program trains students in both law and strategic analysis, giving them the skills to support innovation efforts in the businesses they will serve. We do this in the classroom settings, in intern- and externships, in clinics, and in experiential workshops and events. Portland-area business leaders often inspire and lead events.

YOUR IMPACT

Your campaign gift to the business law program will:

Enhance the value of business law training. Business leaders appreciate the emphasis on problem solving strategies. Your gift demonstrates that you appreciate the critical link between a strong legal education and the practical applications to support business and innovation.

Deepen our connections to Portland. The Center for Business Law and Innovation and the clinics connect students with Portland business, providing a win-win for both student and business. Your support of these efforts ensures their robust growth and indeed, would not be possible without your financial support and program participation.
