

## **Criminal Justice Reform Clinic Application Process**

Participation in the **Fall 2026** Criminal Justice Reform Clinic (CJRC or Clinic) is limited to 5-7 students.

Please read the CJRC course description before submitting your application:

(note: the Clinic next year will take place only during the Fall 2026 semester (4 credits) with potential for additional credit in the spring depending on project and availability)

Due to the enrollment limitation, we have instituted an application process. There may also be interviews. If you would like to apply, please submit the following information to the Registrar's Office in **one PDF document**:

- a statement of interest explaining why you want to participate in the Clinic; this should include any specific criminal justice areas of interest you have (if you are open to everything, that is ok);
- a writing sample (no longer than 5 pages);
- a resume;
- name of your 1L Lawyering Professor;
- a list of past or current legal internship, externship or volunteer positions including any upcoming summer or school year position/s if you already have one (if not, that is ok); and
- one reference.

### **Deadline**

Please submit the above application materials to the Registrar's office no later than Noon on Monday, March 23, 2026 (during spring break).
