

Dear Student,

Congratulations on applying to receive an Opportunity Grant from the Student Bar Association! The Opportunity Grant is offered by the Student Bar Association in order to allow students the opportunity to improve and better the Lewis & Clark Law School community. The Opportunity Grant is only for individual students working under their own initiative to enhance the diversity, intellectualism or aestheticism of the community.

Because the Opportunity Grant is only for students working independently of any campus approved organization, the range of activities that could merit a grant are wide. For example, a student effort to paint a mural for the campus could merit a grant, or a student effort to bring in a speaker for a talk could merit a grant. The possibilities are myriad and we encourage you to be creative and inventive!

Once you have completed your application, turn it in either in person at the SBA office or e-mail it to [Co-Sponsorship Committee address]. The Co-Sponsorship Committee will then review your application. If the Co-Sponsorship Committee decides that your idea merits the grant, you will be given funds to help make your idea a reality. Additionally, you will be featured in our *Fine Print* newsletter and on our website!

We look forward to hearing your ideas and working with you. Good luck!

Sincerely,
[Co-sponsorship Committee member names and signatures]
