ELECTION NOMINATION FORM

Position: Board of Trustees

Name: Lisa Whittemore

Hometown: Beaverton, OR

Goals: To provide a voice for the law school while the Board of Trustees sets the fiduciary goals for the entire Lewis & Clark institution. With the cost of attendance, limited parking and expensive books it is imperative the Board hears from the law school our concerns about increased spending campus wide.

My friends would describe me as . . .

Positive, optimistic, energetic and always willing to go the extra mile to ensure those around me have the support they need to complete their tasks as well. As the current Secretary for SBA and a member of the Executive Board, I have consistently made sure my fellow SBA members had support to complete their projects so that our events for the law school student body were successful.

I came to Lewis & Clark Law School because . . .

I am a born and raised Oregonian and could not imagine a better law school to attend. I have dreamt about attending Lewis & Clark since I was in middle school and started thinking about a career as lawyer. This school has an amazing culture and I am very proud to be a part of it.

On my free days, I enjoy . . .

Walking my two dogs, babysitting my niece, cooking large dinners for the entire family, trap shooting, and reading anything that is non-academic. ;)
