ELECTION NOMINATION FORM

Position: Faculty Appointments Committee Representative

Name: Faculty Appointments Committee Representative

Hometown: Portland, Oregon

Goals: I look forward to being a part of continuing the tradition of bringing excellent teachers to the law school.

My friends would describe me as . . .

I'm pretty much always in a good mood. I think most people would describe me as outgoing and positive.

I came to Lewis & Clark Law School because . . .

I am a native Oregonian and committed to Oregon and the community. I was drawn to Lewis & Clark because the school's values mirror my commitment to the state and community. I also visited the school and sat in on classes before attending school here, and was particularly attracted to the excellent quality of the teachers here.

On my free days, I enjoy . . .

I run whenever I can, wander around the gym, and read whatever non-law books I can get my hands on. I have just discovered MacGyver on netflix instant view, so I will be spending the next few weeks before finals on one epic MacGyver-fest.
