My friends would describe me as . . .

"really approachable, enthusiastic about what she cares about (like natural resources), and would be a great SBA representative" - Michelle Pawliger

"Compassionate, dedicated, and adventurous." - Lowell Elliott

I came to Lewis & Clark Law School because . . .

of the Environmental and Natural Resources Program, the incredible student body, and the beauty of the Northwest.

On my free days, I enjoy . . .

photography, hiking, and spending time at the beach.
